

The Friends have raised over \$1 million since 1975 to support the Mountain View Library through Lobby Shop sales, Used Book sales, and donations.

Funds raised by the Friends are used to support:

- Children's Summer Reading Program
- Teen Programs
- Mobile Library Services
- Parent Education Programs
- The Bestseller Collections of New Books, DVDs, and More!

By joining the Friends you get access to all of our quarterly book sales one hour before the general public. You also receive a 10% discount at Books Inc.

Of course, members also receive the pride of knowing that their contribution is appreciated and makes our local library one of the best in California.

You can join the Friends today by sending this form along with a check to:
